You must be able to get into NYC as we are based here & all work is done here. If you fit the bill send photos (a clear sharp face shot must be one of the photos) & vital statistics to us at the above address.

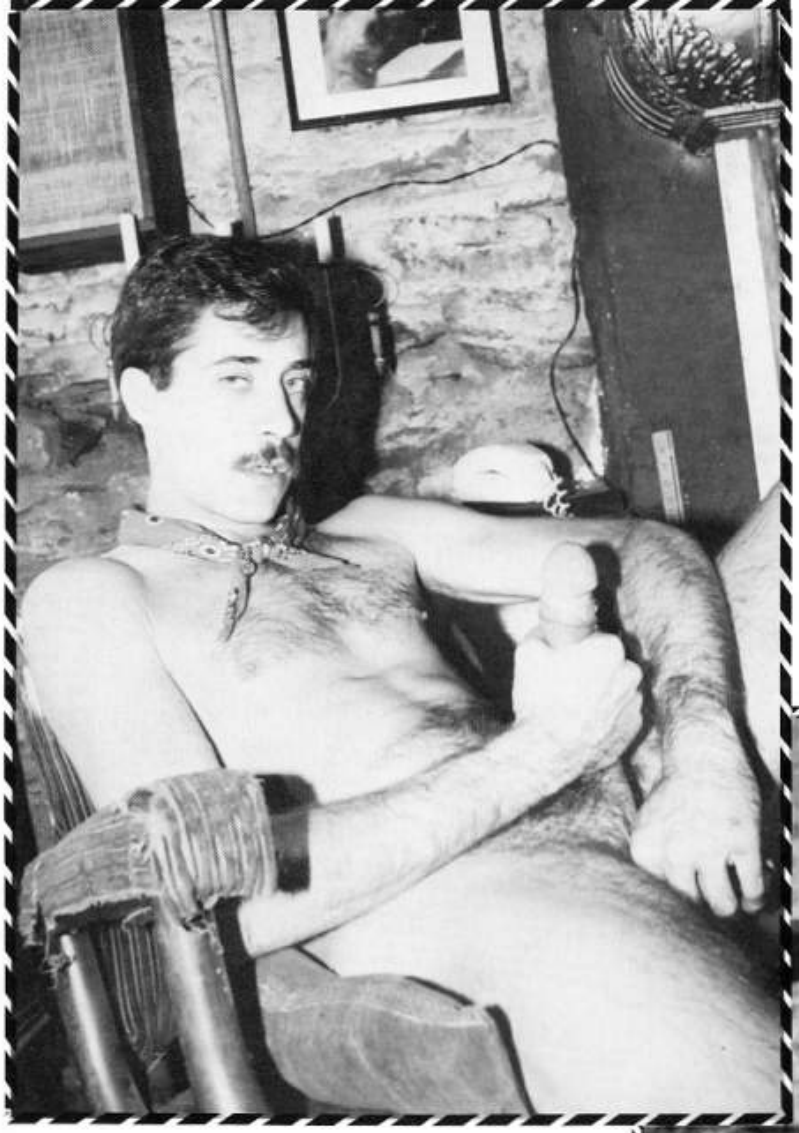
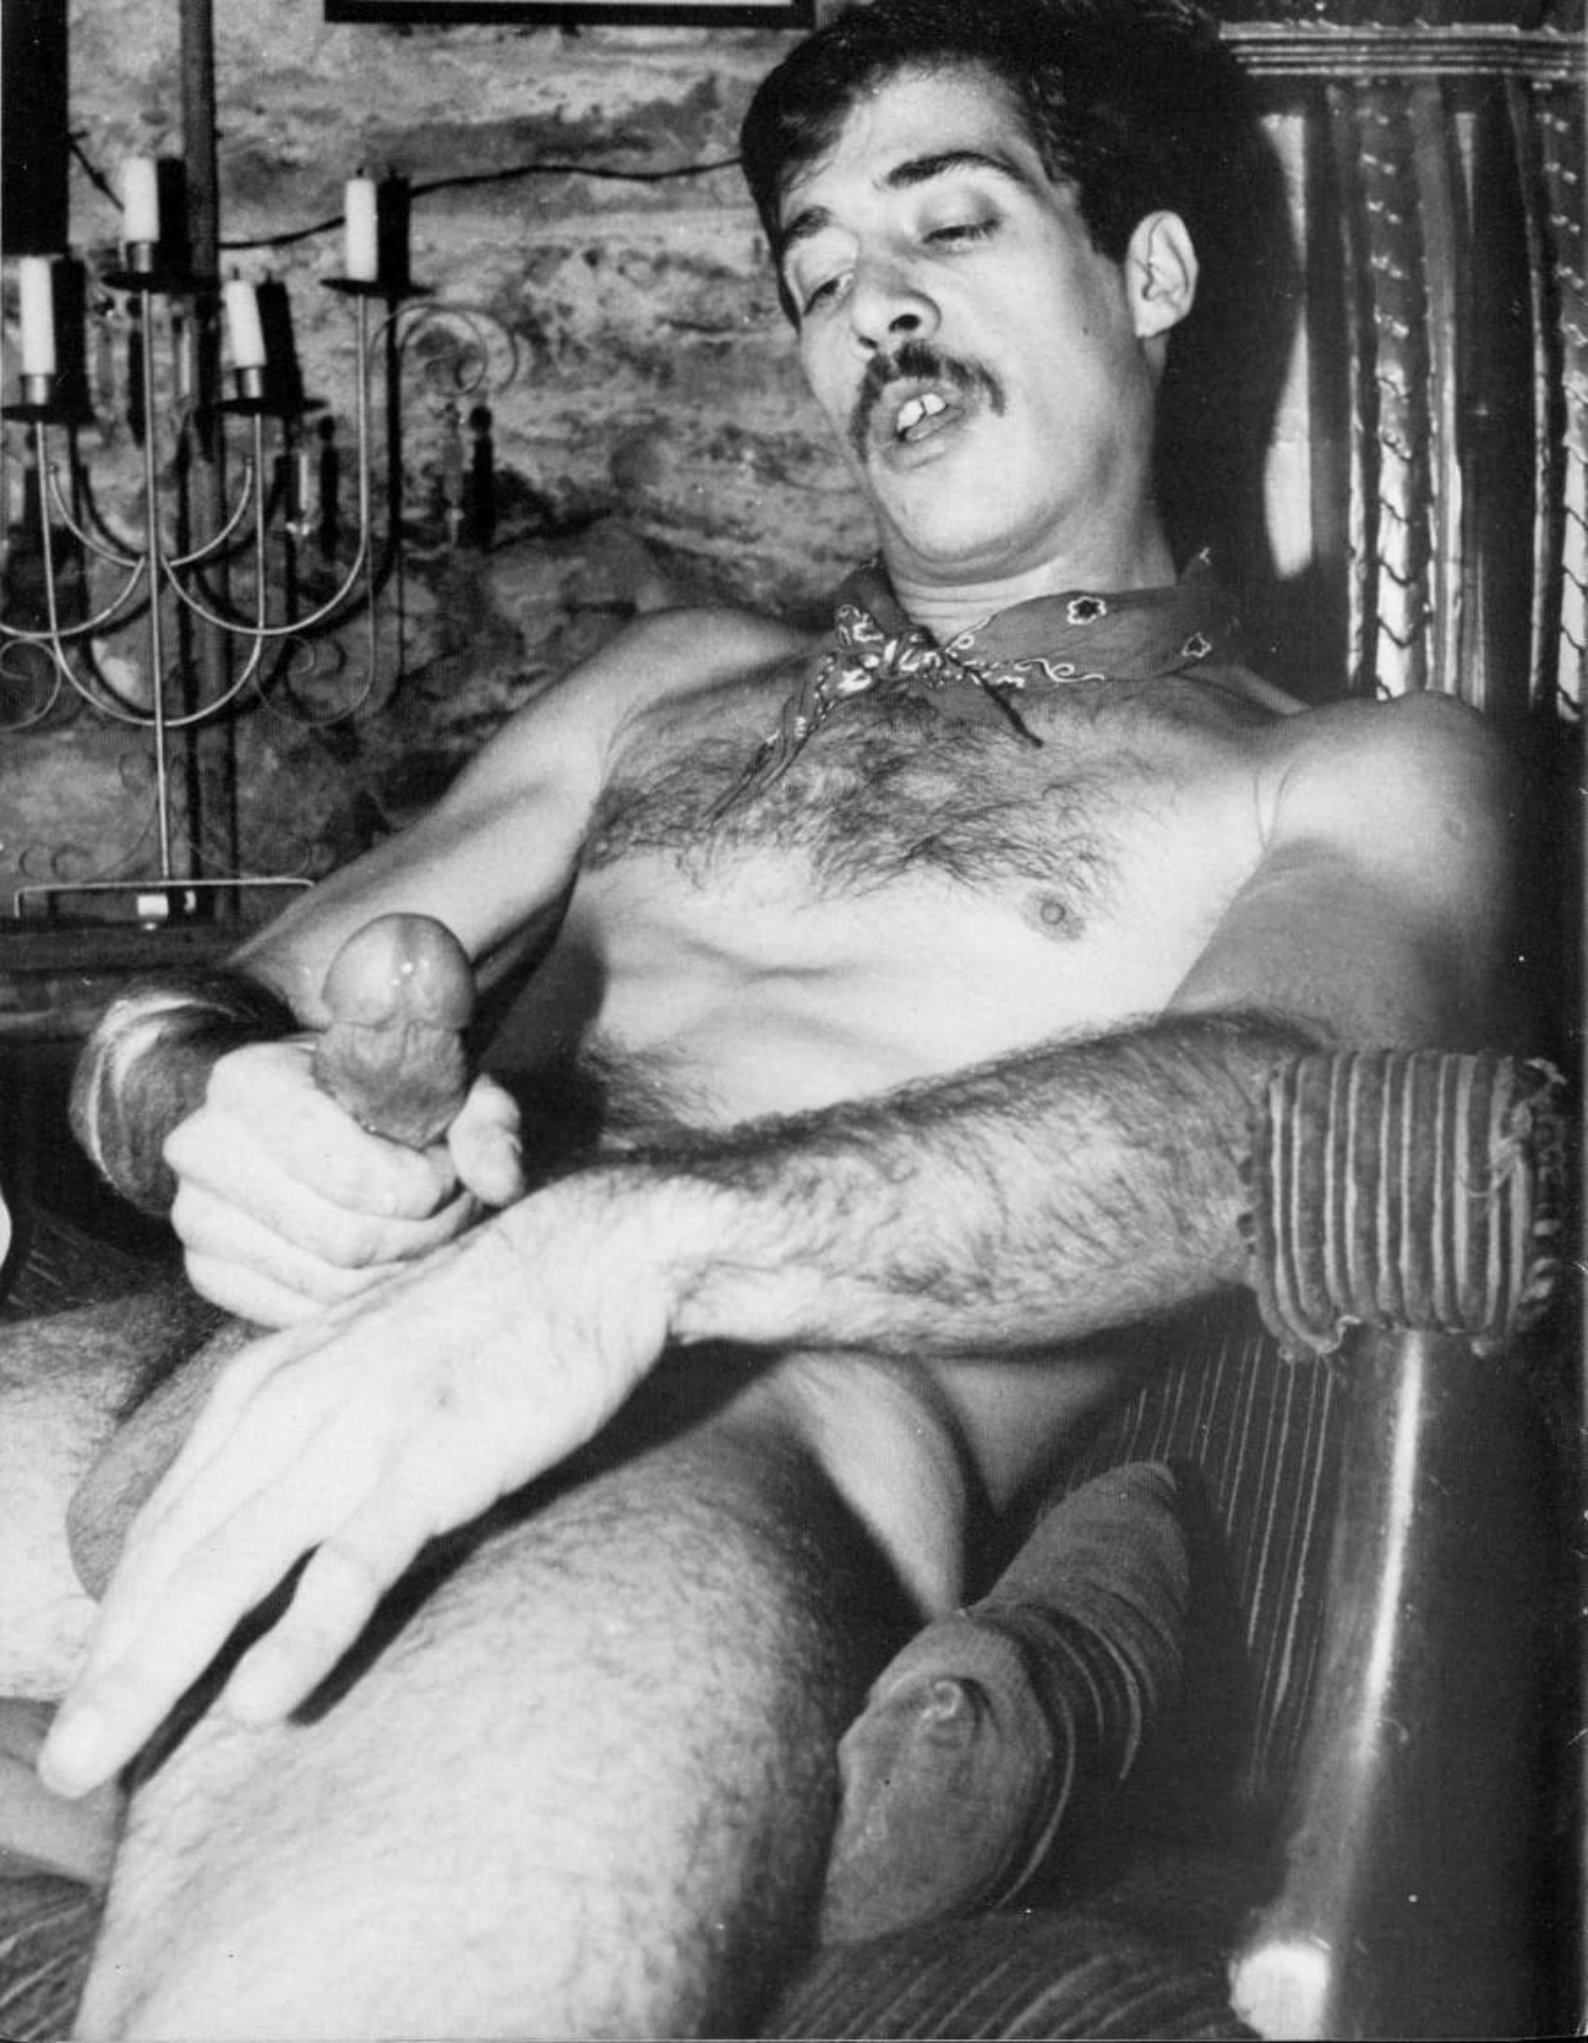
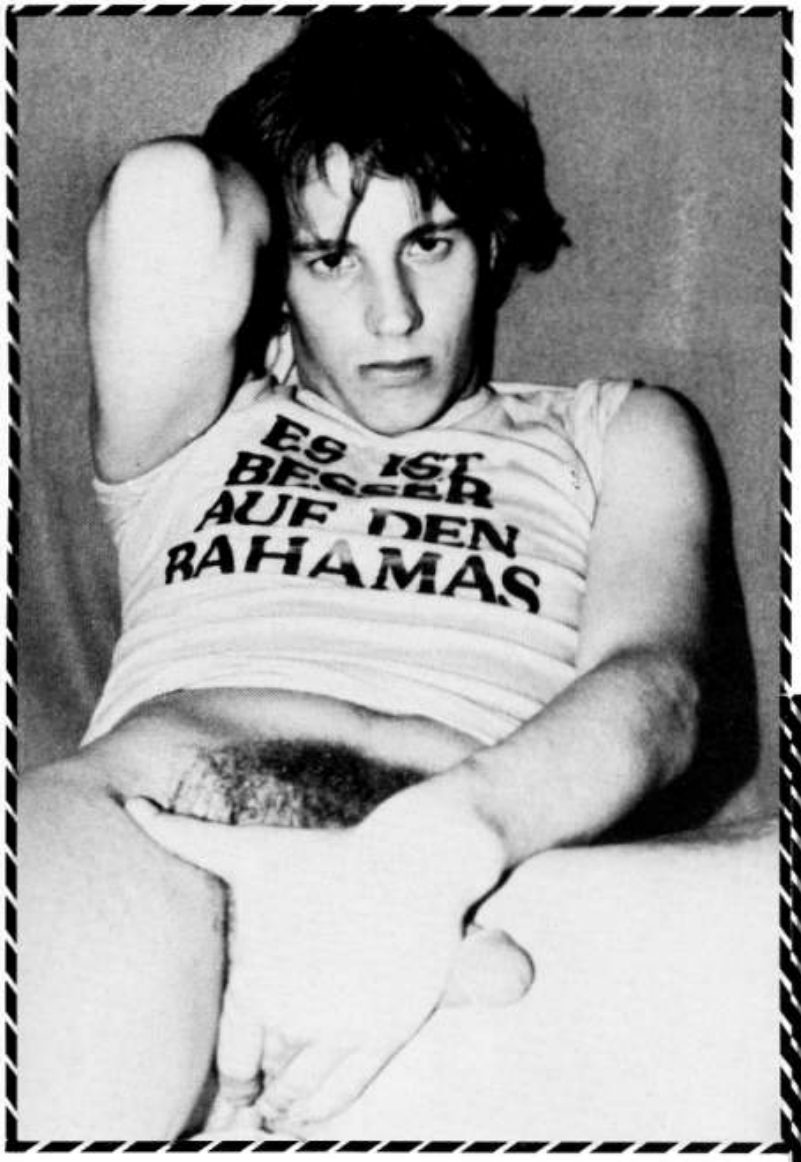
KEITH

In our "BOYS FROM M.A.N.-A.G.E. II" you saw KEITH ANTHONI's first session for MAN-AGE back in '76. These shots were done in late 1980 when he had reached super stardom. He was doing a really hot stage act in denim & leather that ended with him performing auto-fellatio, an act he's become an axpert at. Keith is 32, 5ft.10, 143 lbs., brown hair & aqua eyes, 29in. waist, 38in. chest, & his famous penis goes from 6 by 3 around to 10¼ by 5 around. He's heavily into oral sex & loves fantasys. His film credits are too numerous to mention.





SCOTT



SCOTT ANDERSON came to MAN-AGE via M.V. & garnered many fans after we debuted him in STARS 19. He is 19, 6ft.1, 160 lbs., blond hair & brown eyes, 30in. waist, 40in. chest, & his penis goes from 4 soft to 9 hard. Sexually he's into everything & everyone.

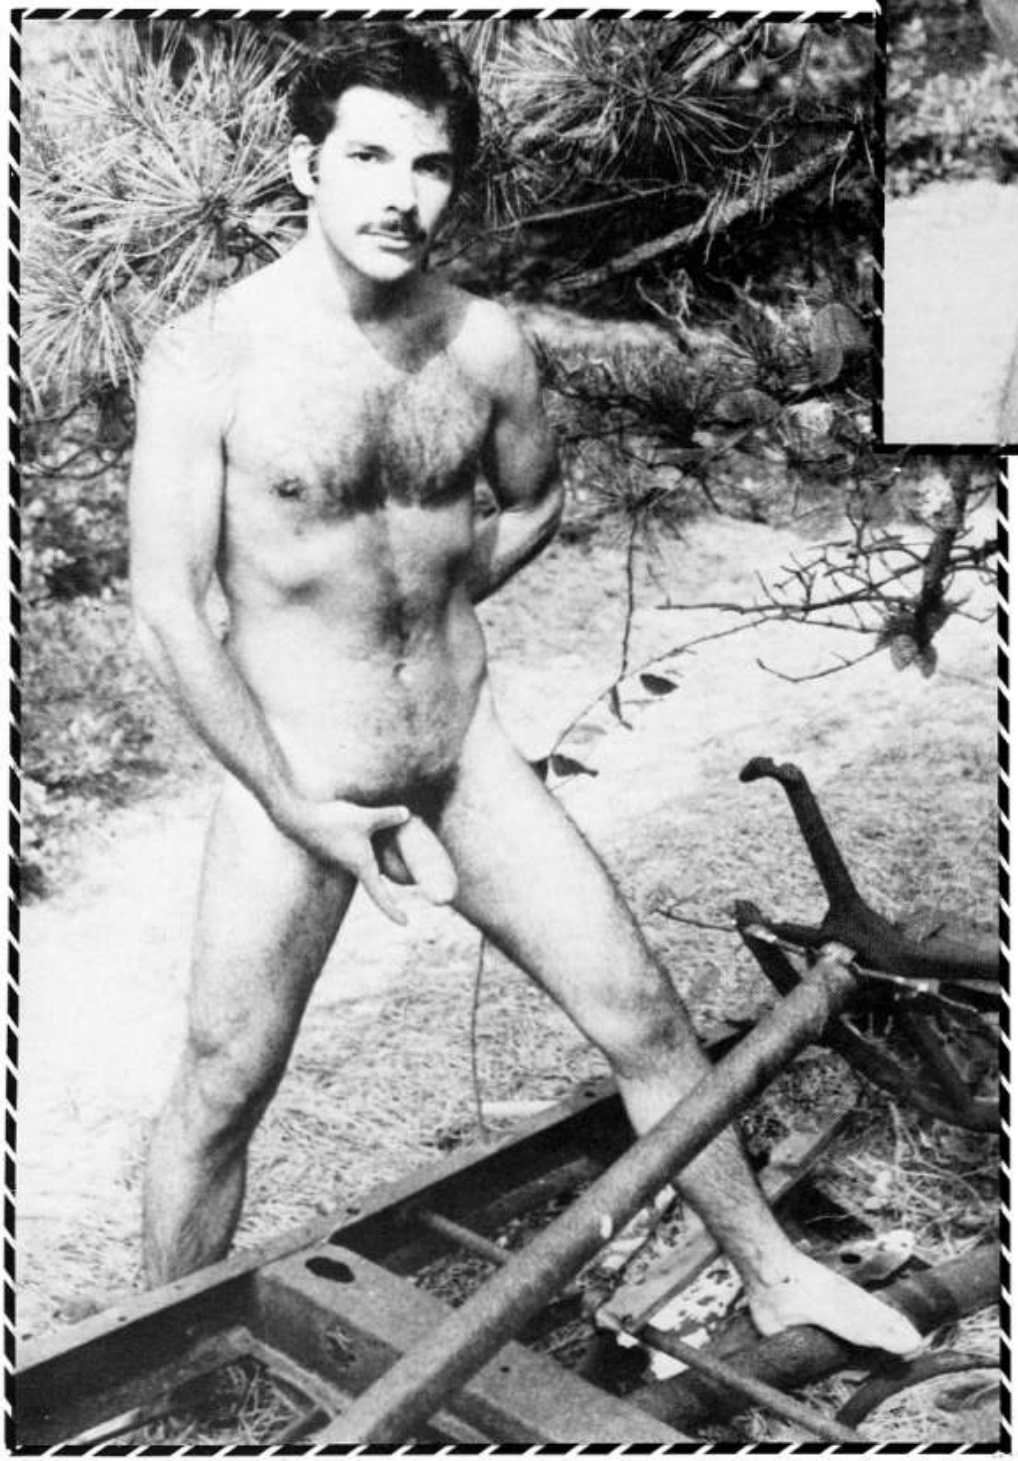
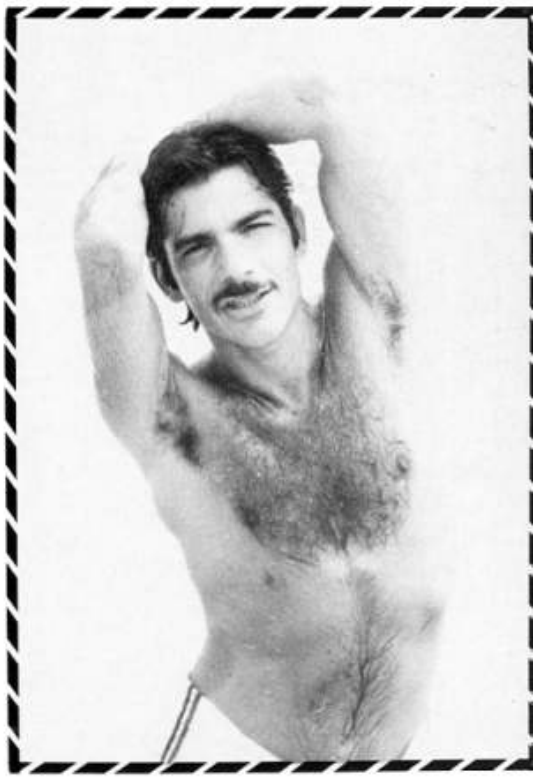
DAMIEN

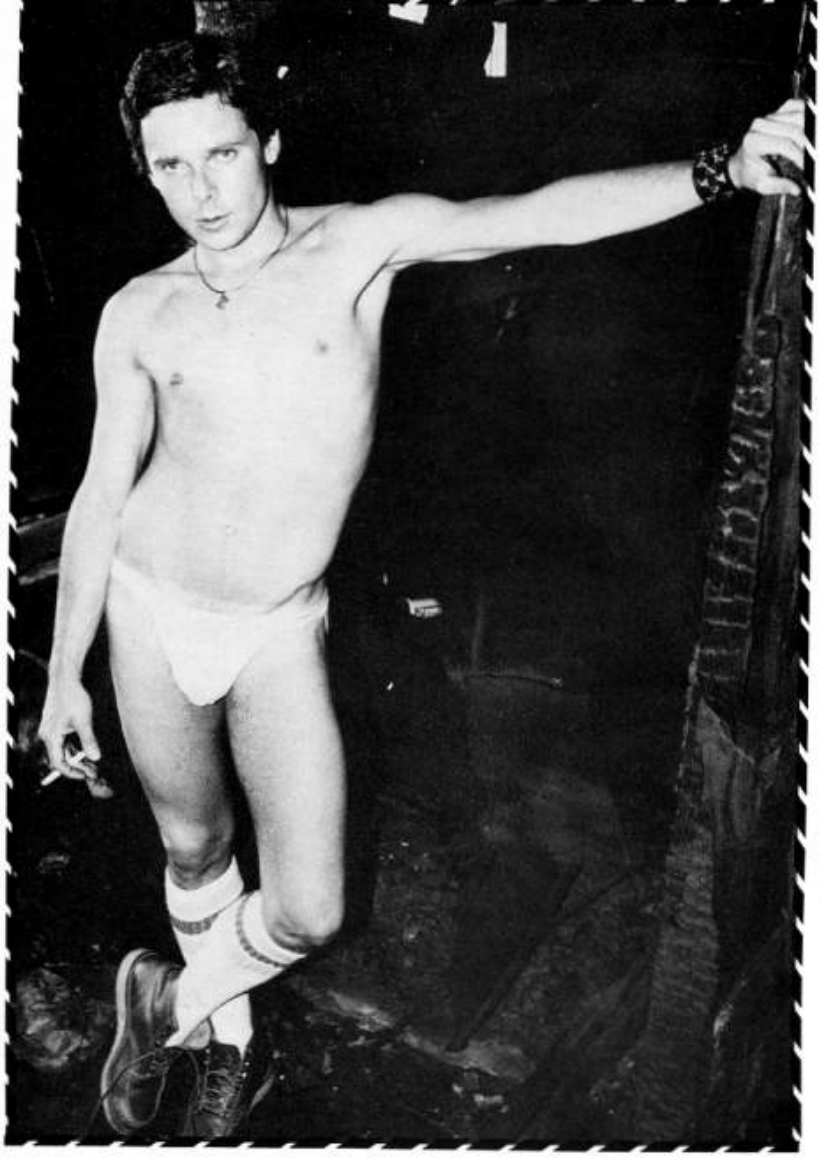
DAMIEN CHARLES is our first star (also featured in our "Cocks At Their Best Vol. 1" & "New York Studs" mags) Our discovery has graced the covers of mags worldwide & has a loyal fan following. He's known for his super eatable & fuckable tush & a limitless sex drive.

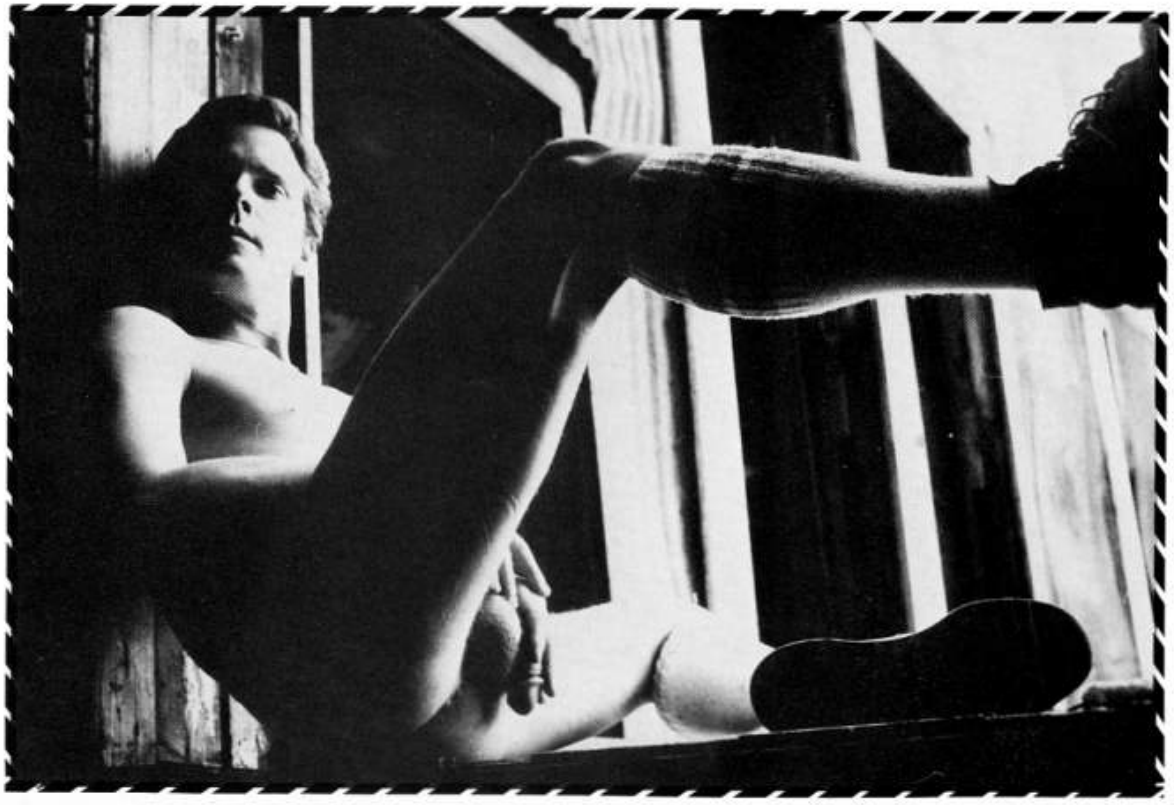
←DAVE

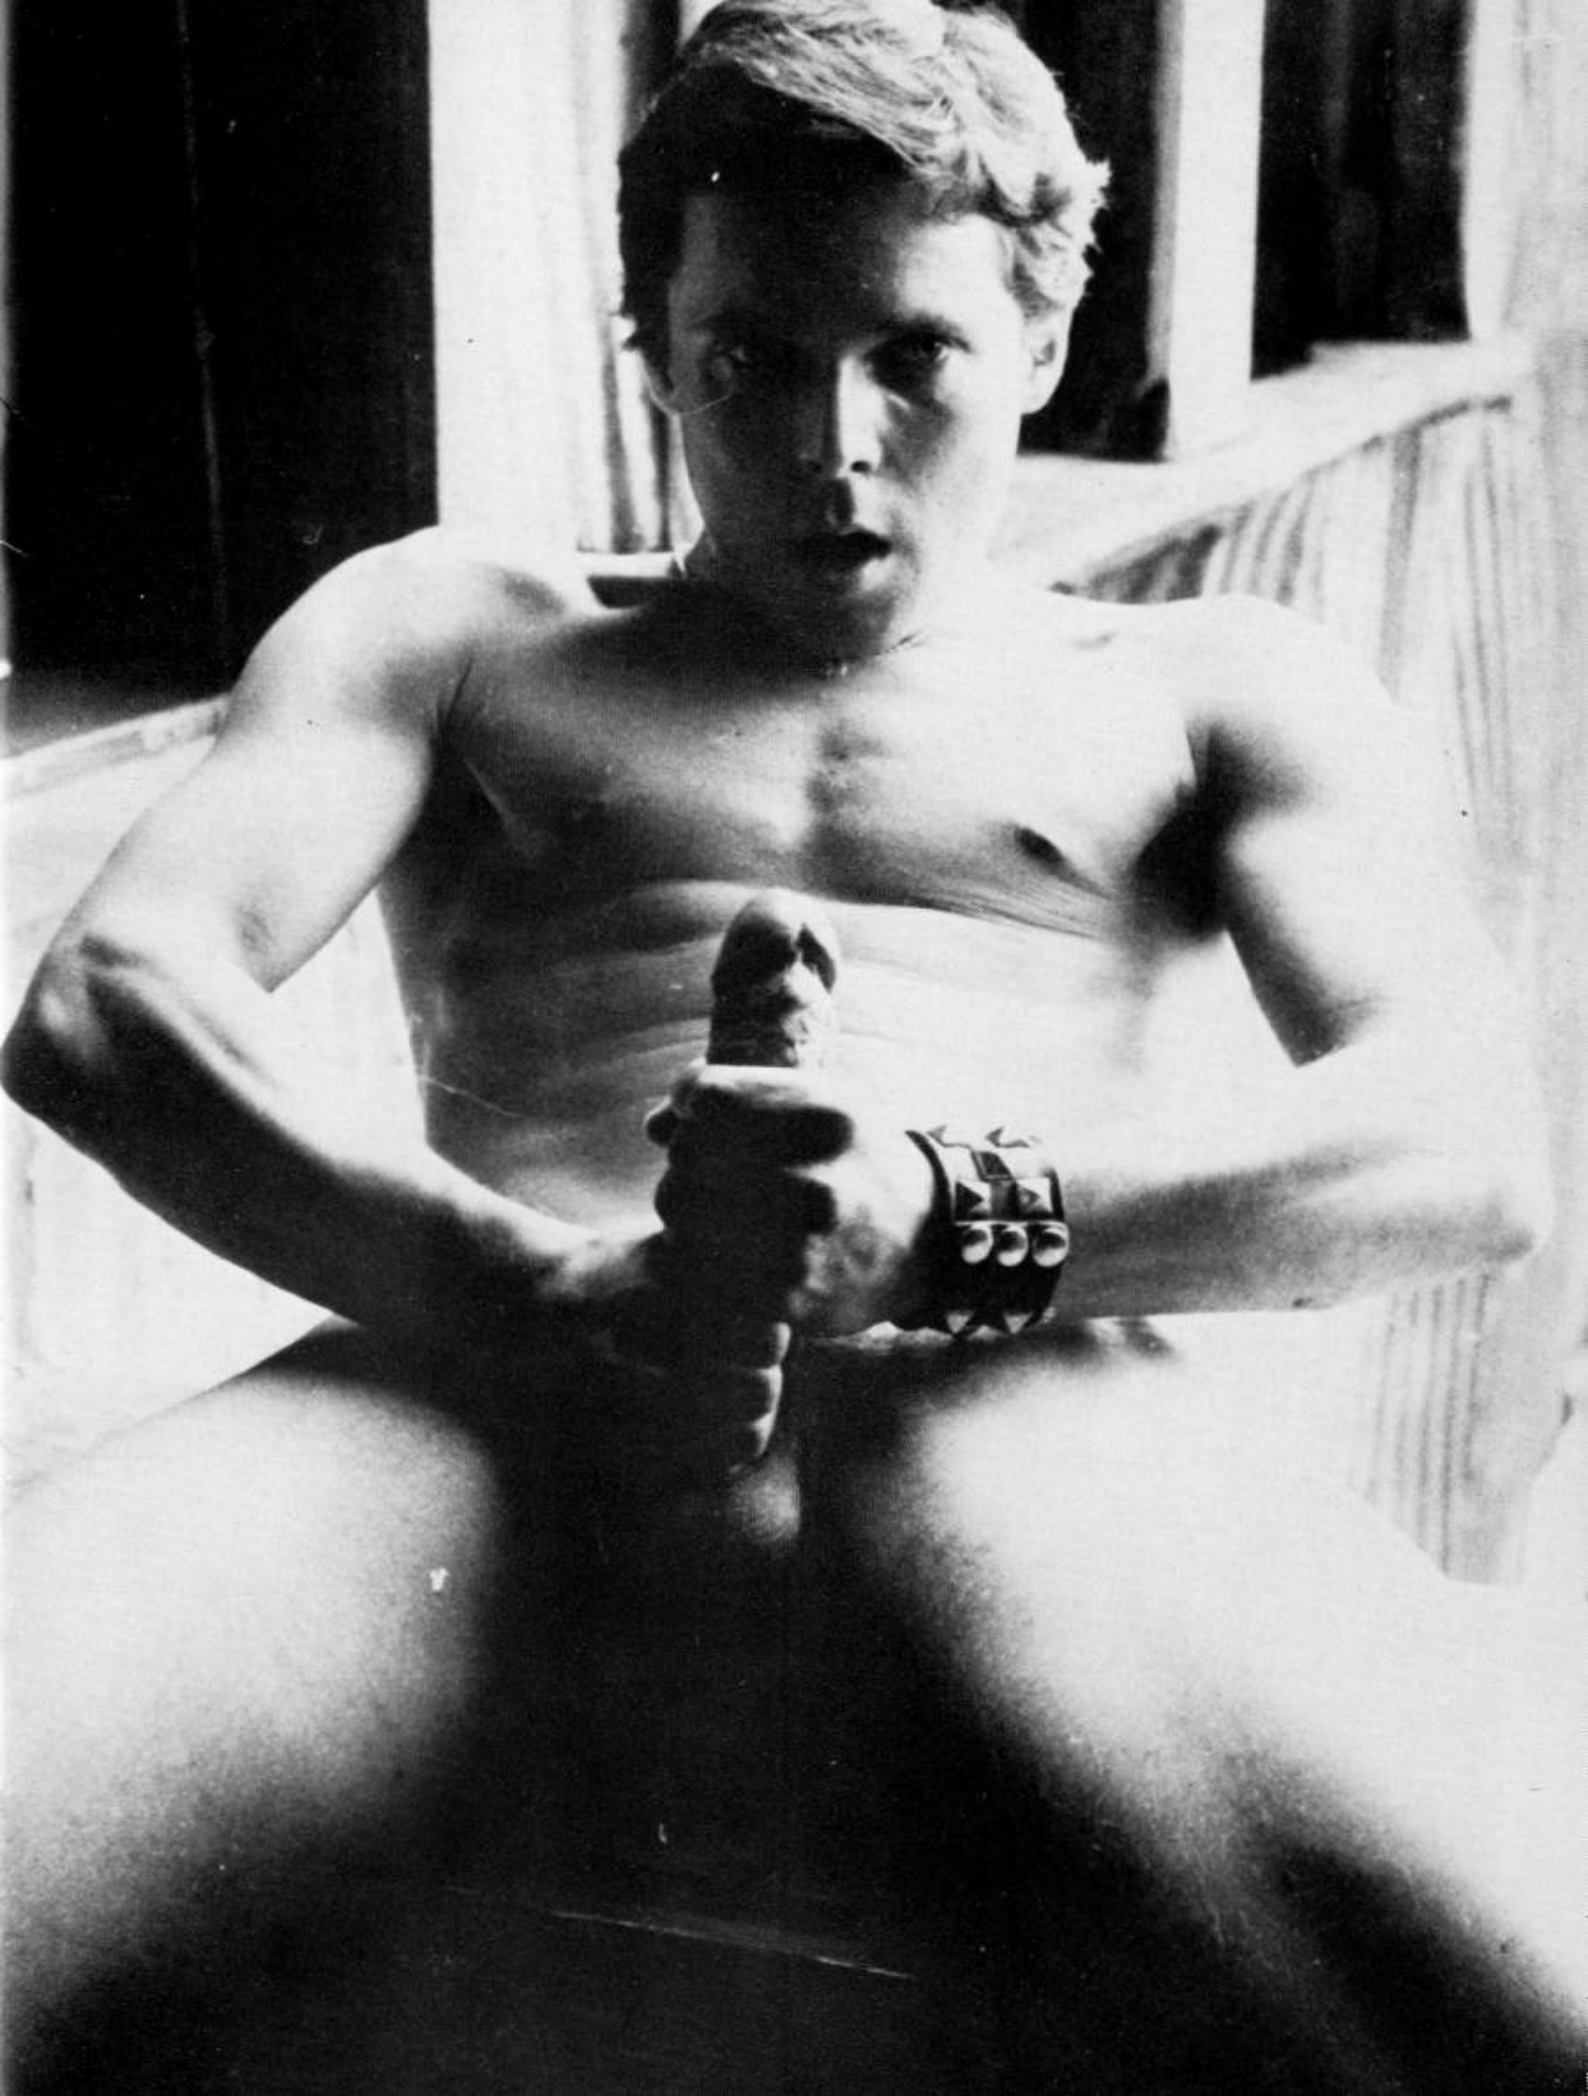
His friend DAVE knows how to keep him happy with the massive structure between his legs.

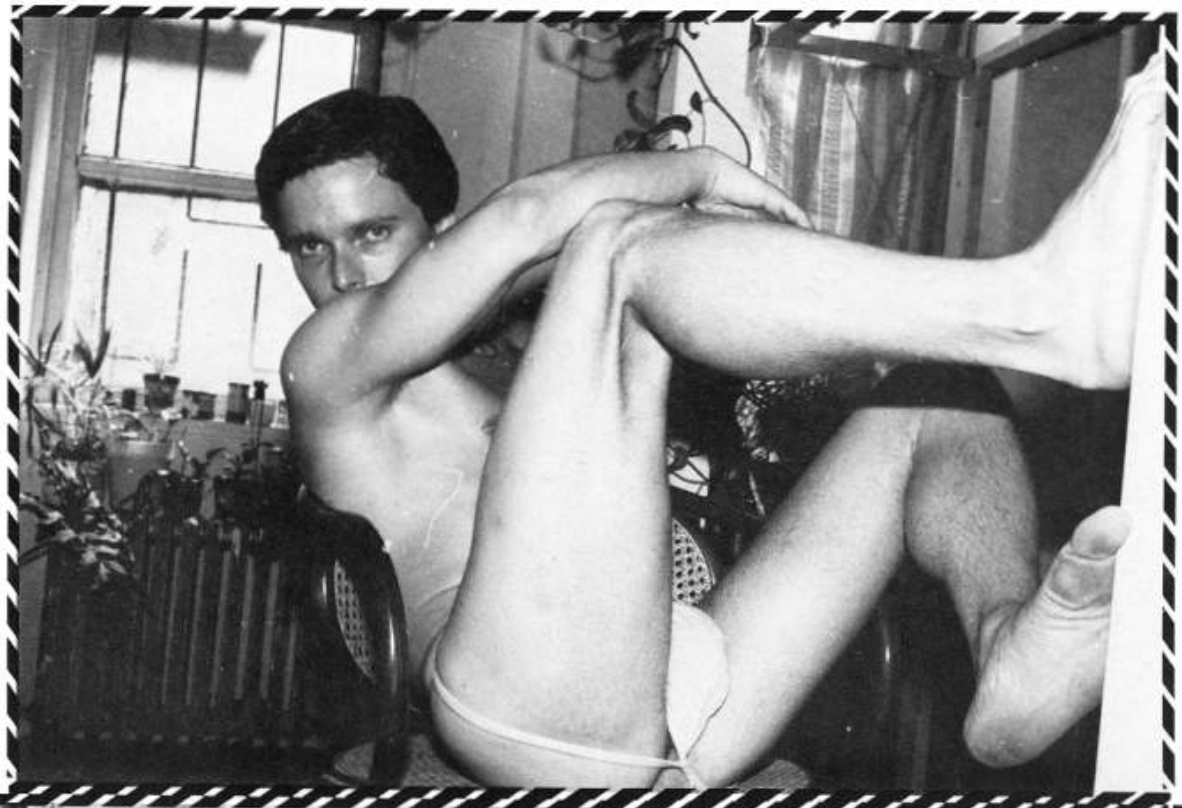


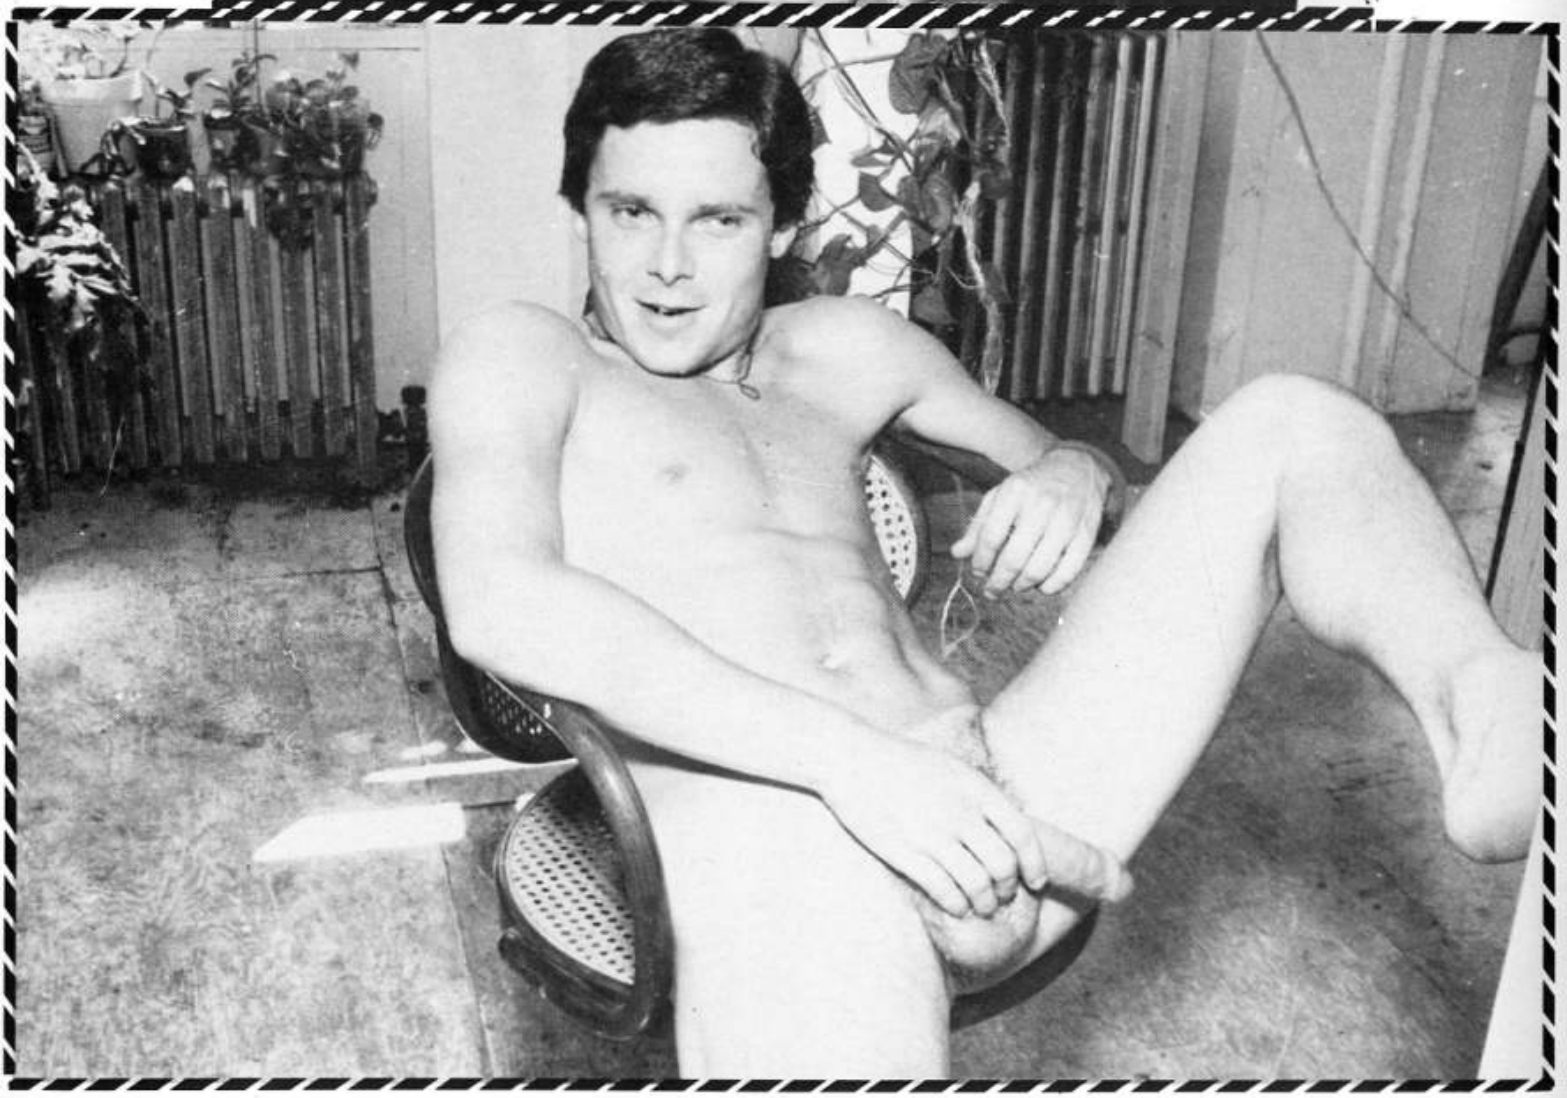






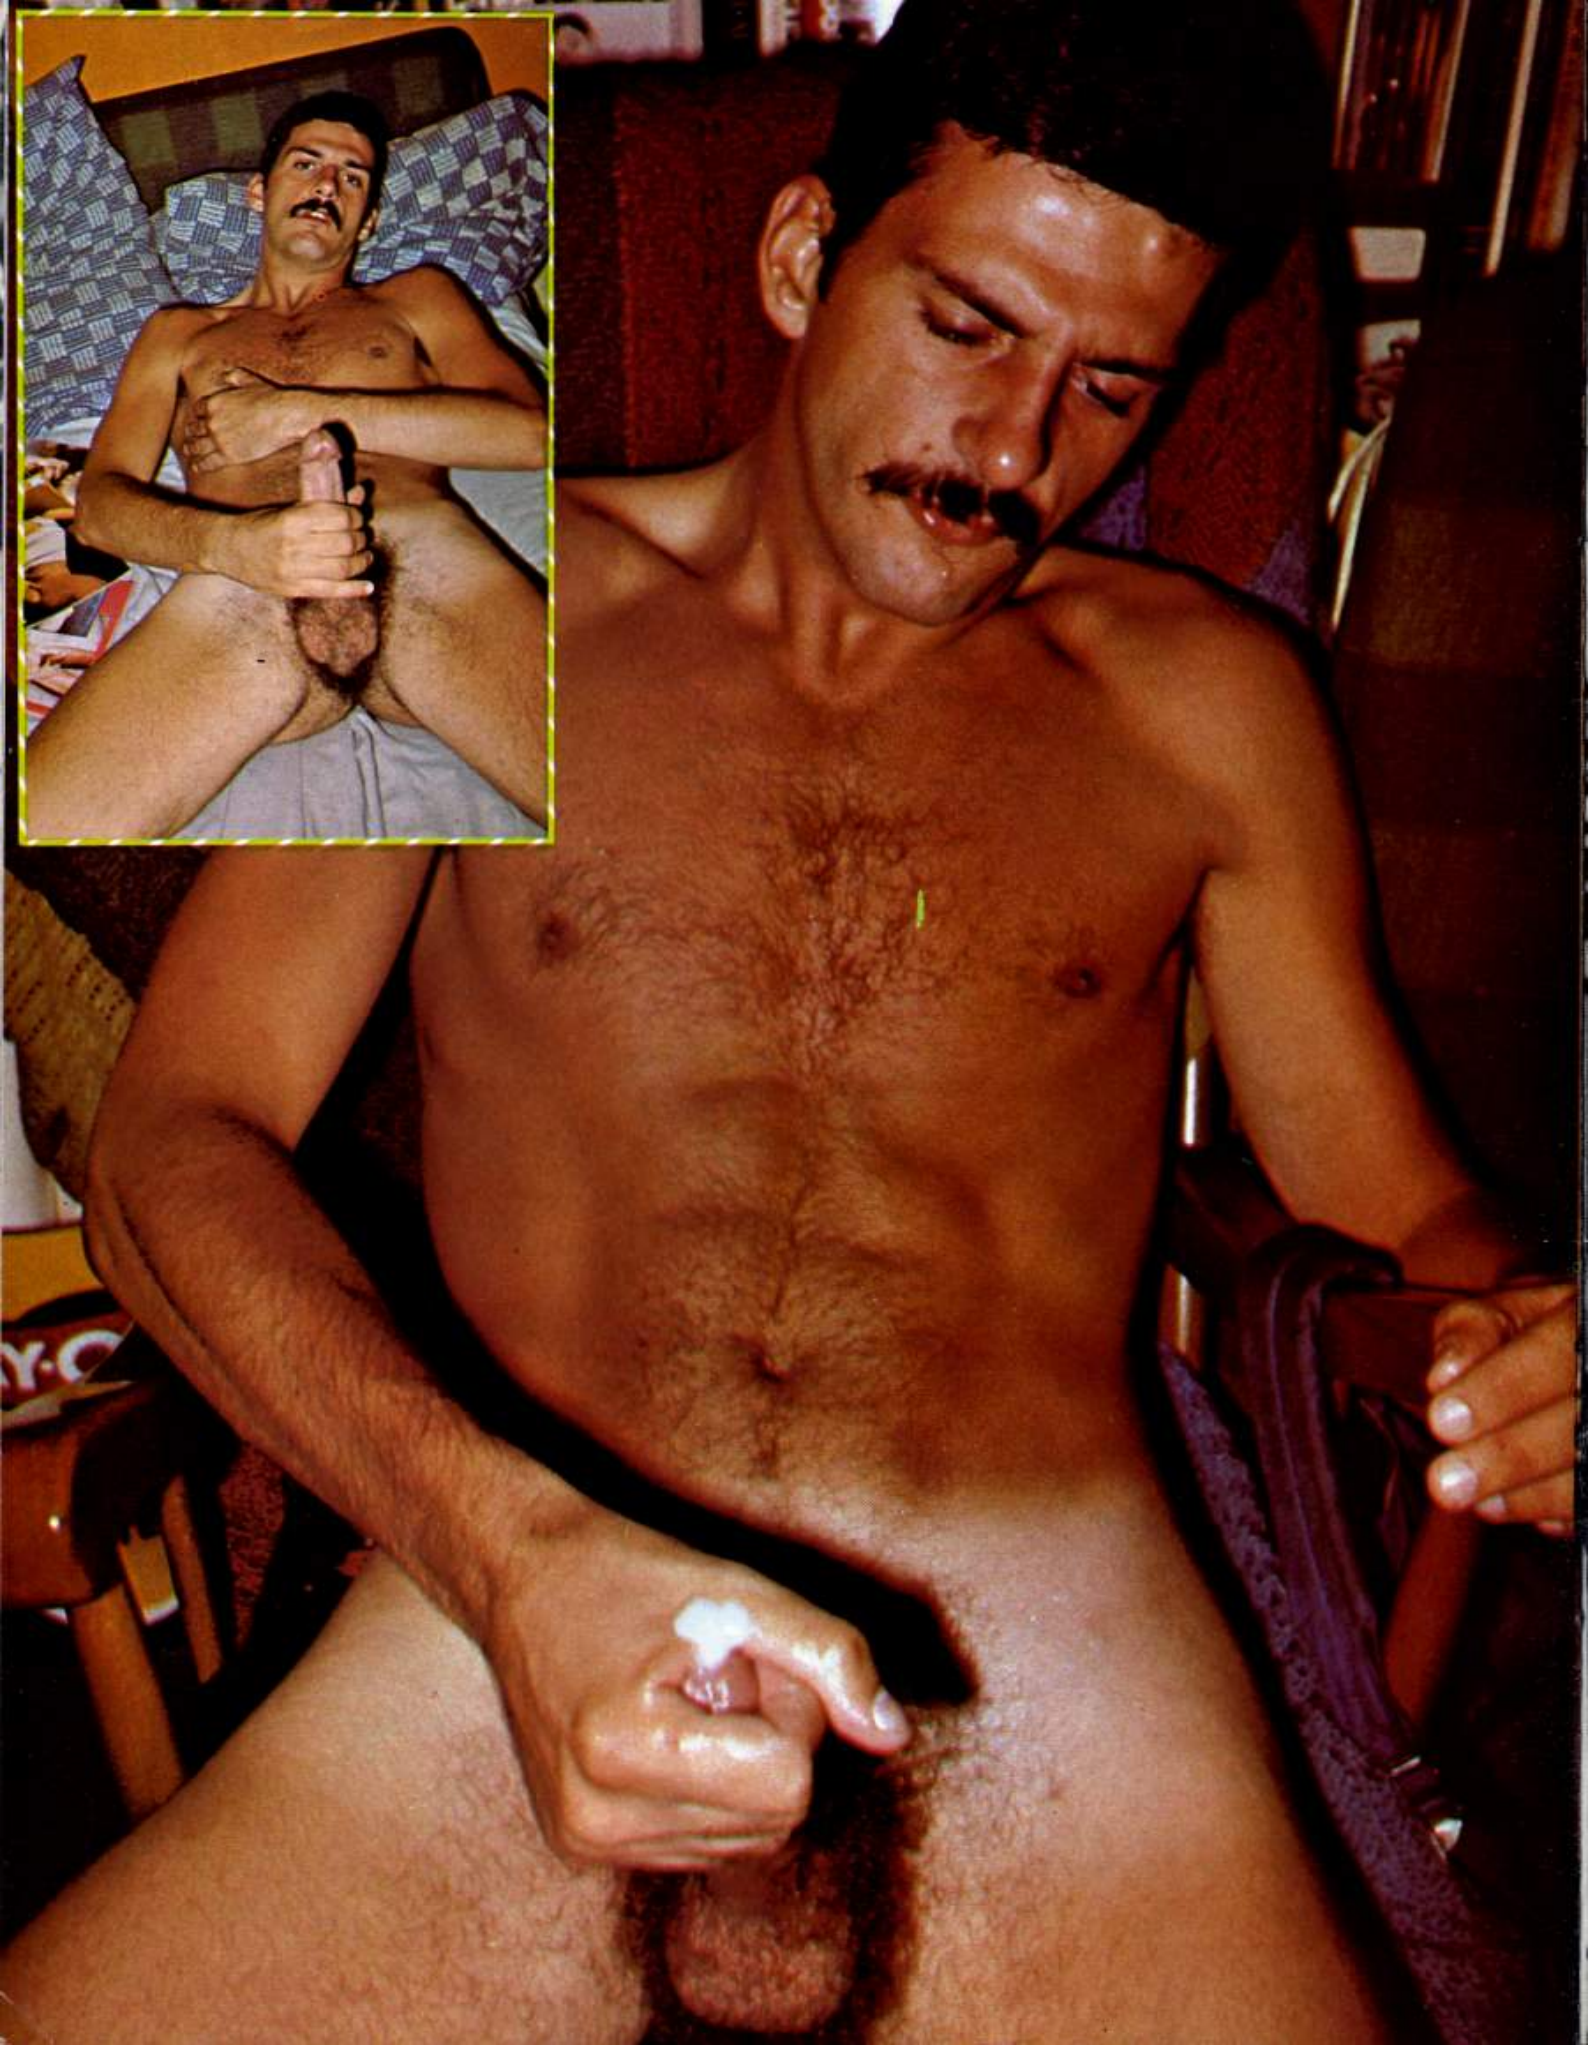


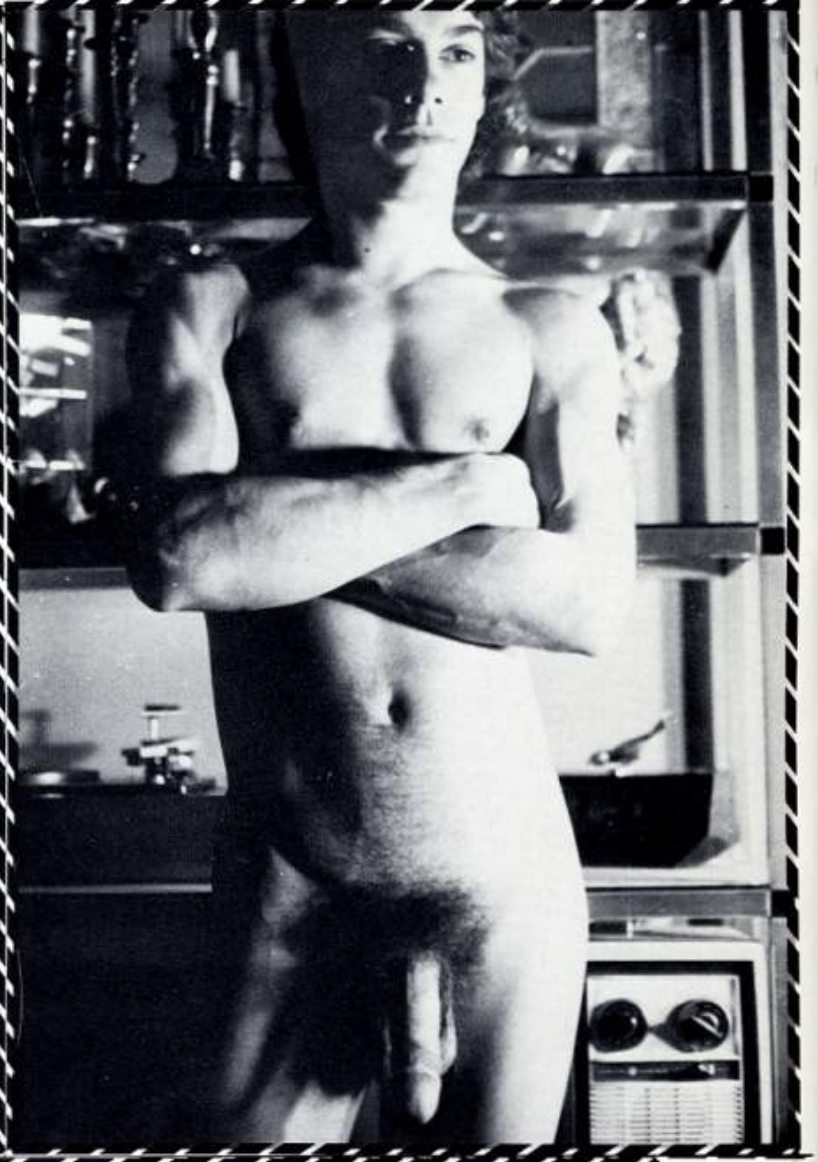


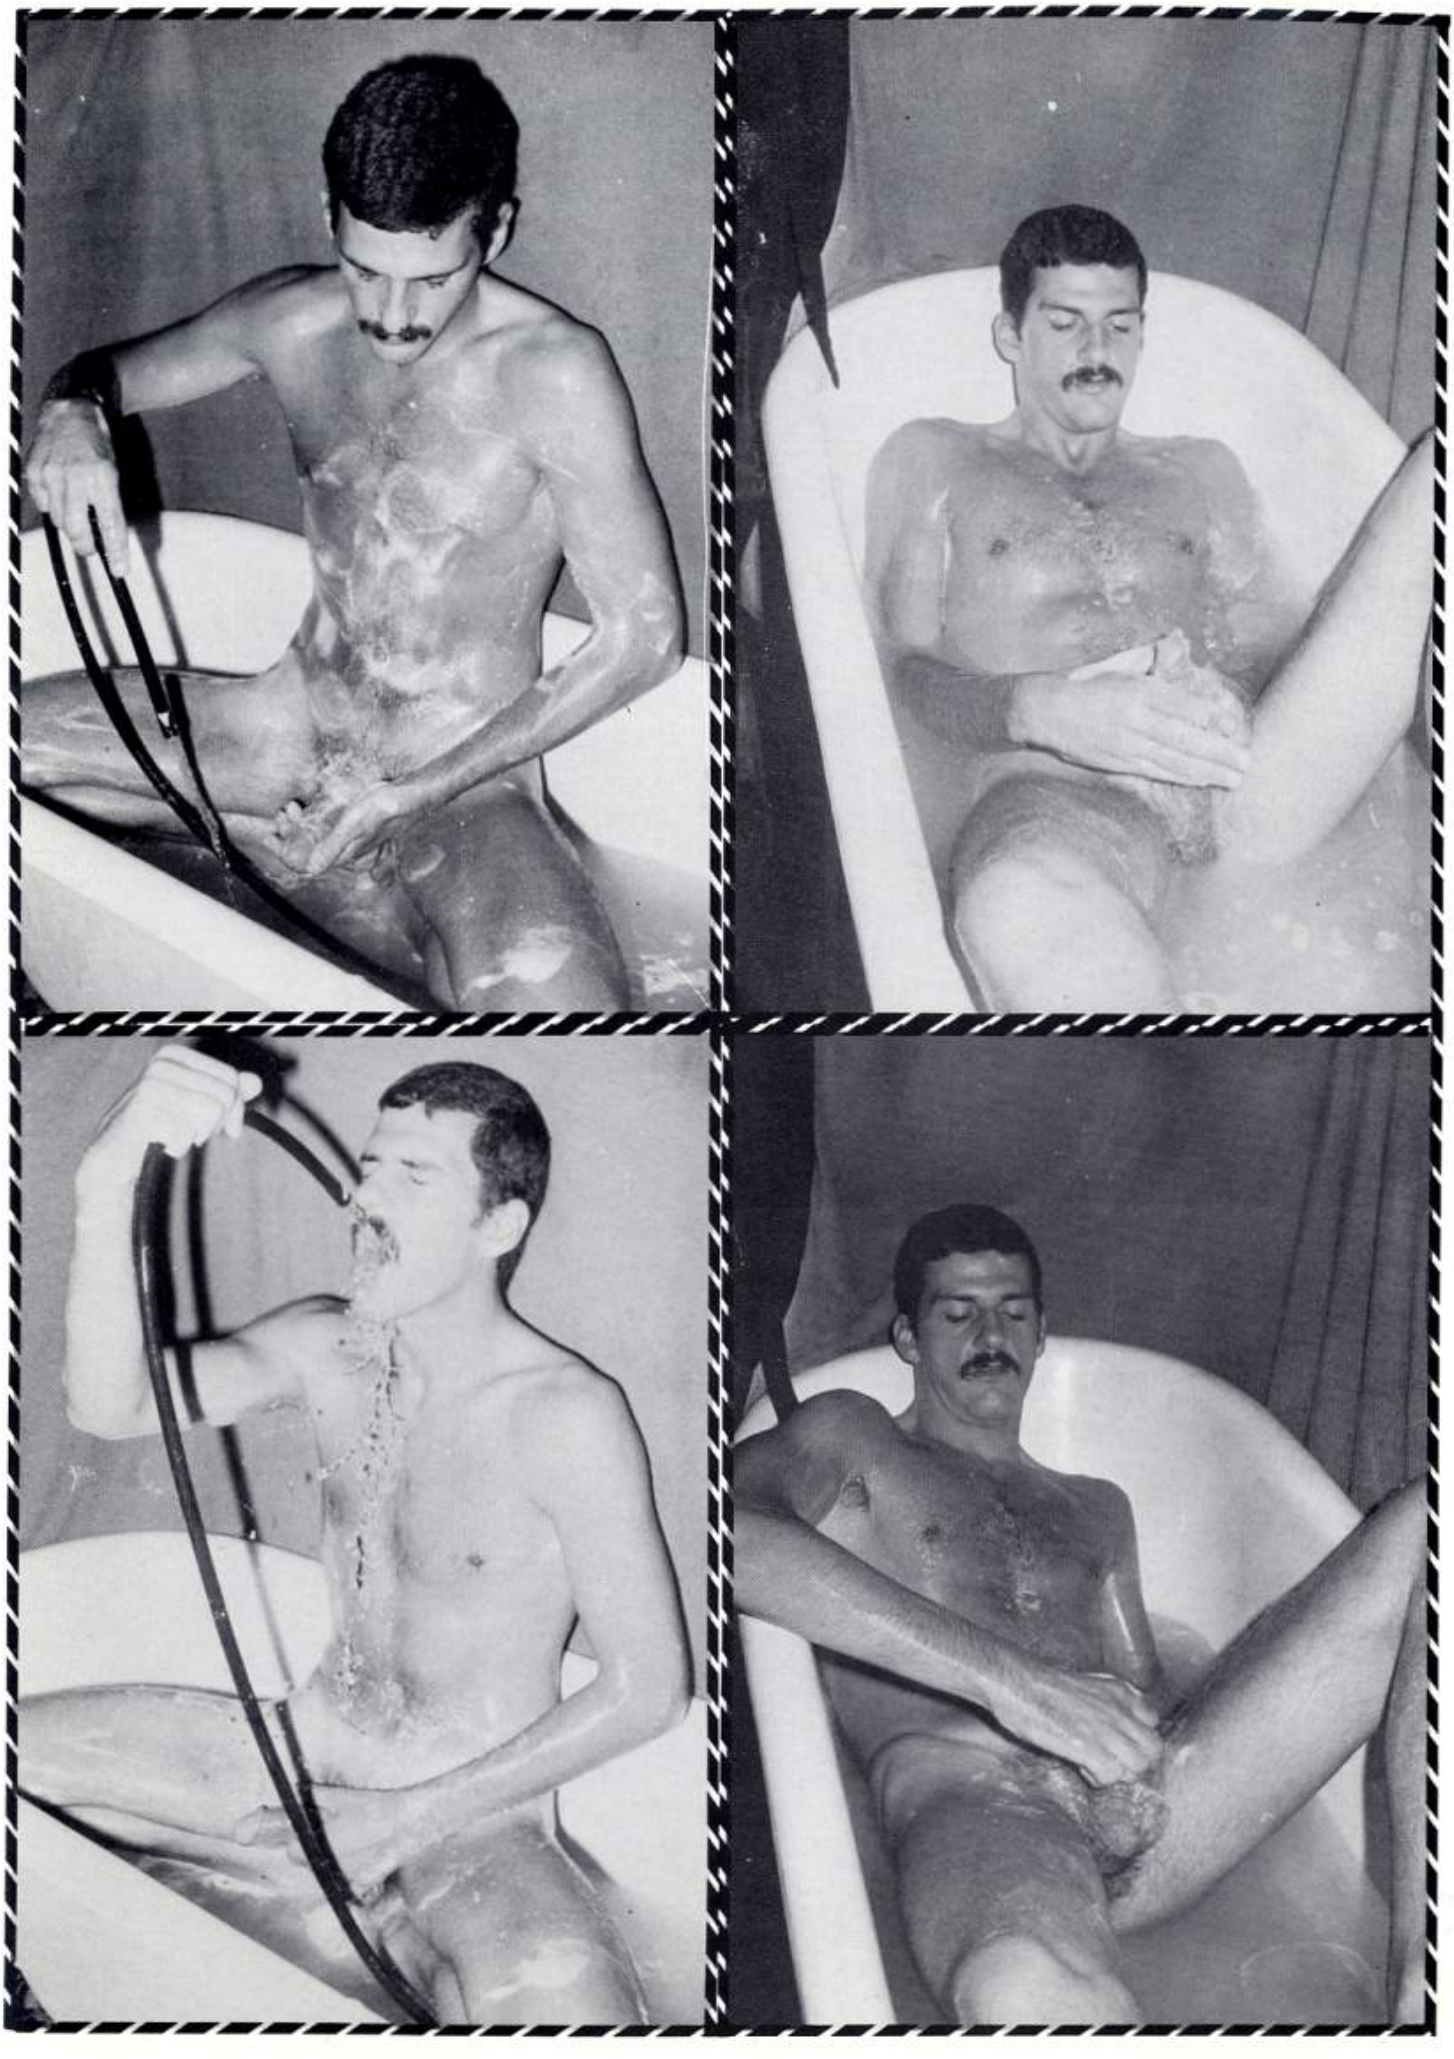


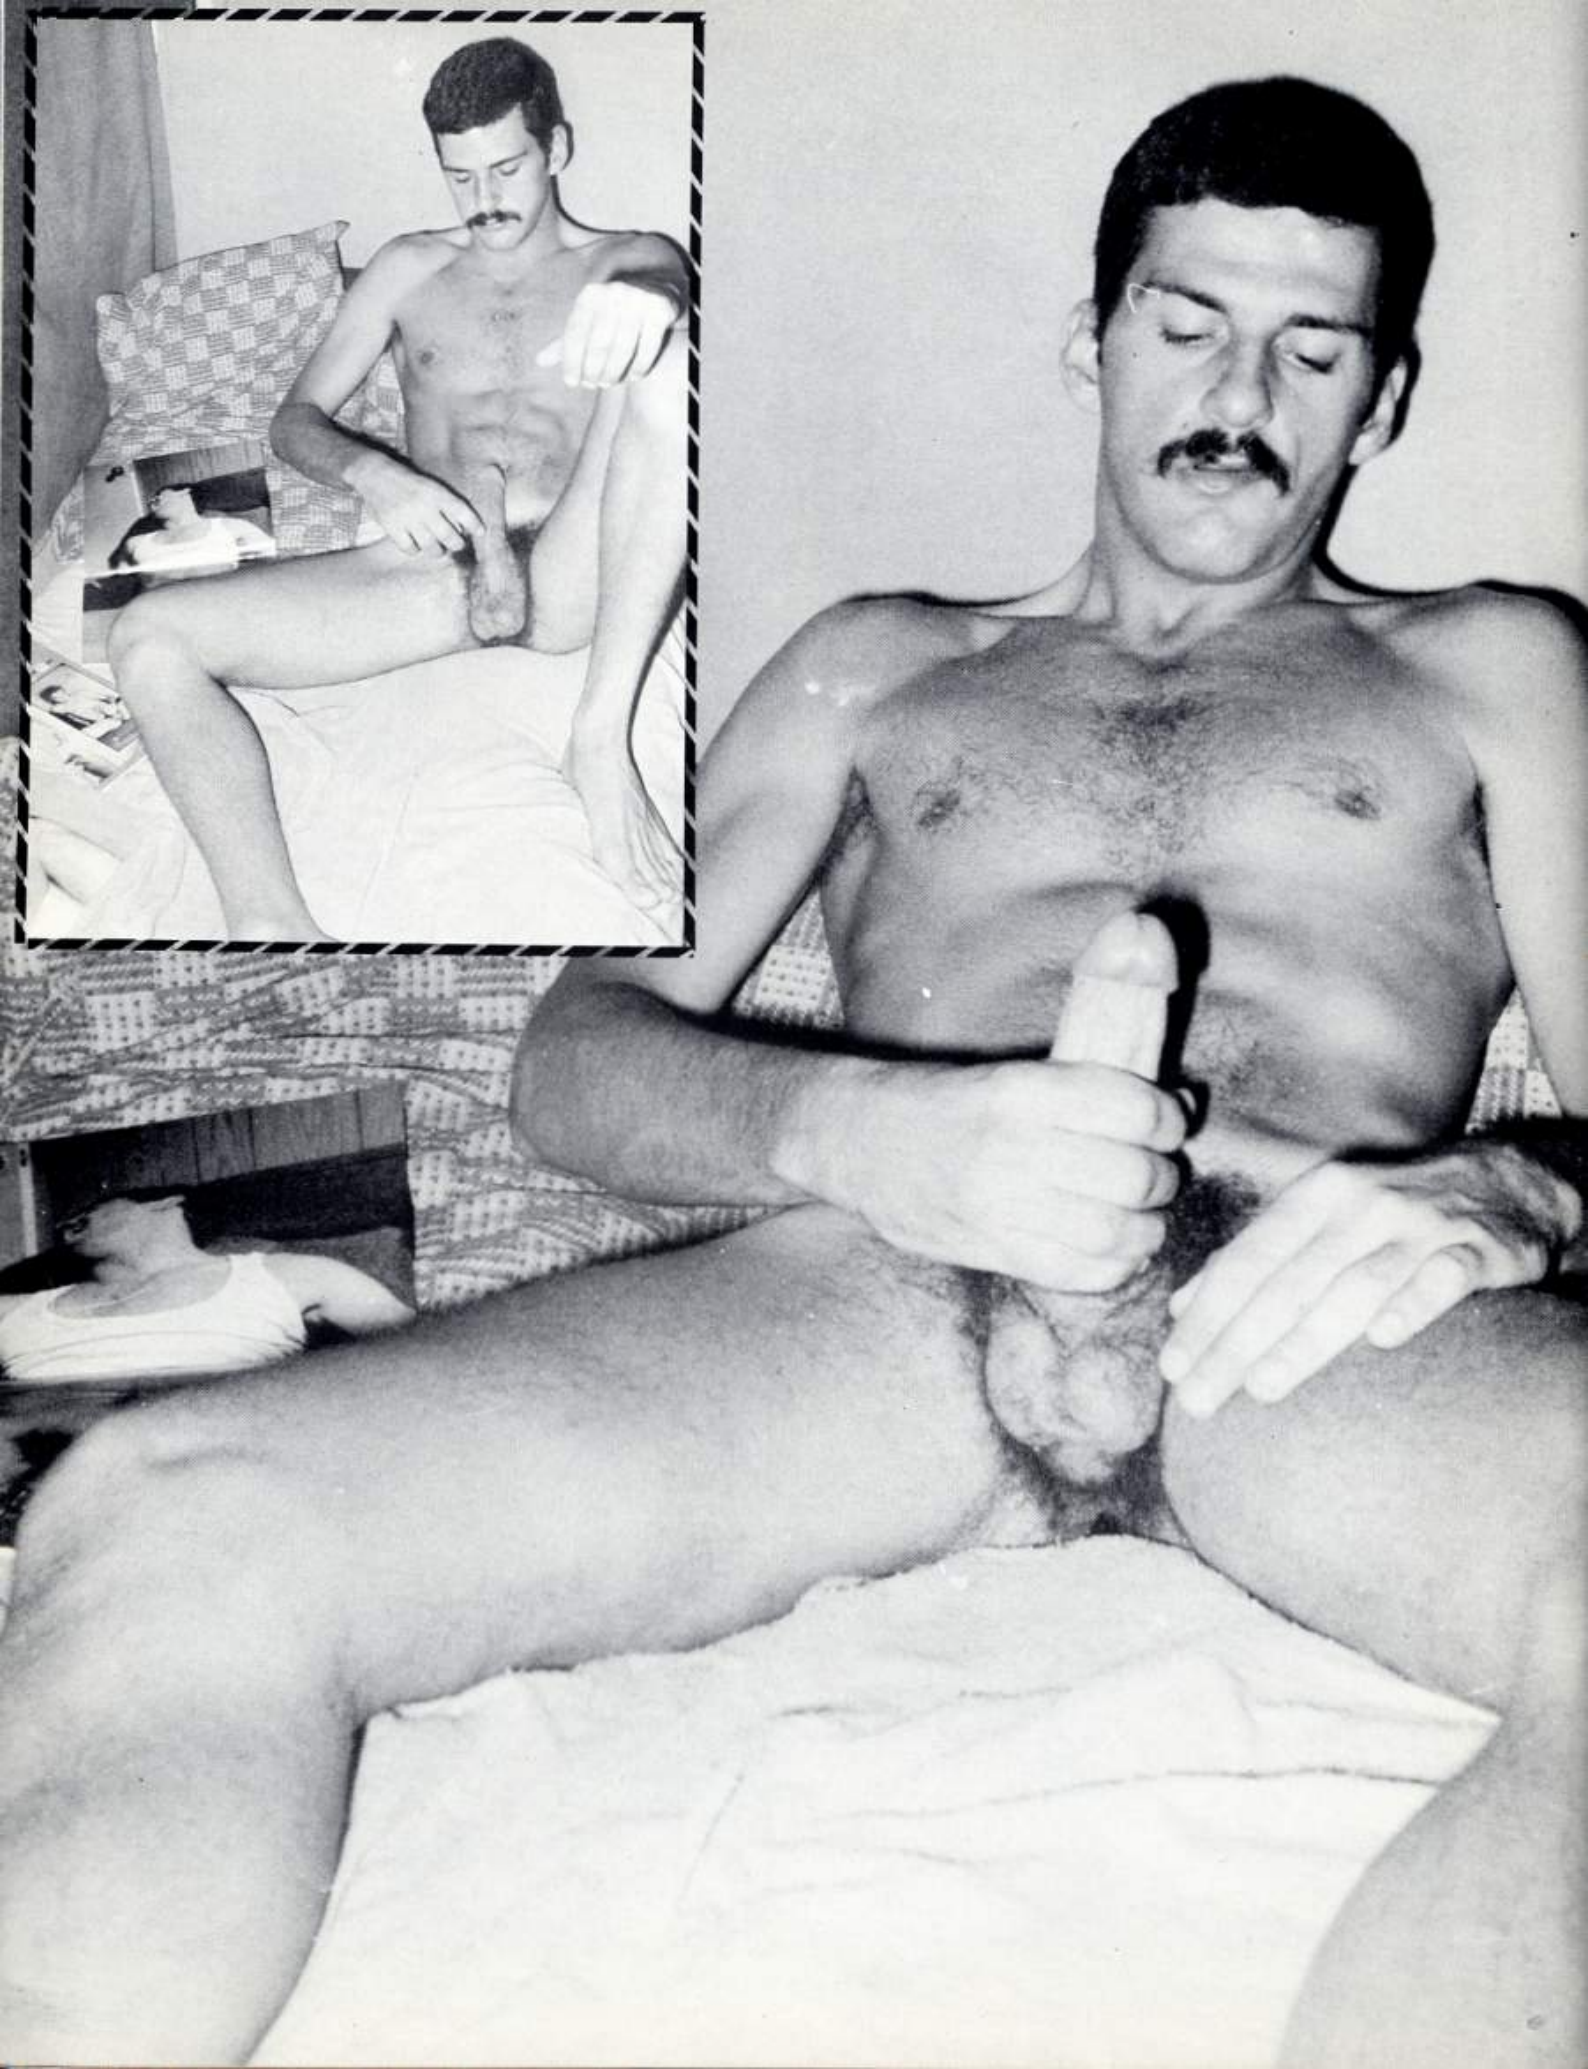
ALAN RICHARDS was the first official MAN-AGE model & became a big hit overseas as Damien Charles' lover. The two sizzled on the cover & inside layout of Sweden's REVOLT magazine. The two wrote up their first meeting for California's IN HEAT magazine & they became a hot item in NYC. He retired from the spotlight to wander the country but returned early this year to resume his career. New pix are being done but meantime MAN-AGE debuts the original sessions here. He stands 5ft.4½, 130 lbs., brown hair & green eyes, 29in. waist, 38in. chest, & his penis goes from 4 to rock hard 7 in a flash. You'll note the similarity between his pride & joy and the Empire State Bldg. (the E.S.B. isn't attached to him in case you couldn't tell which is which).

ALAN

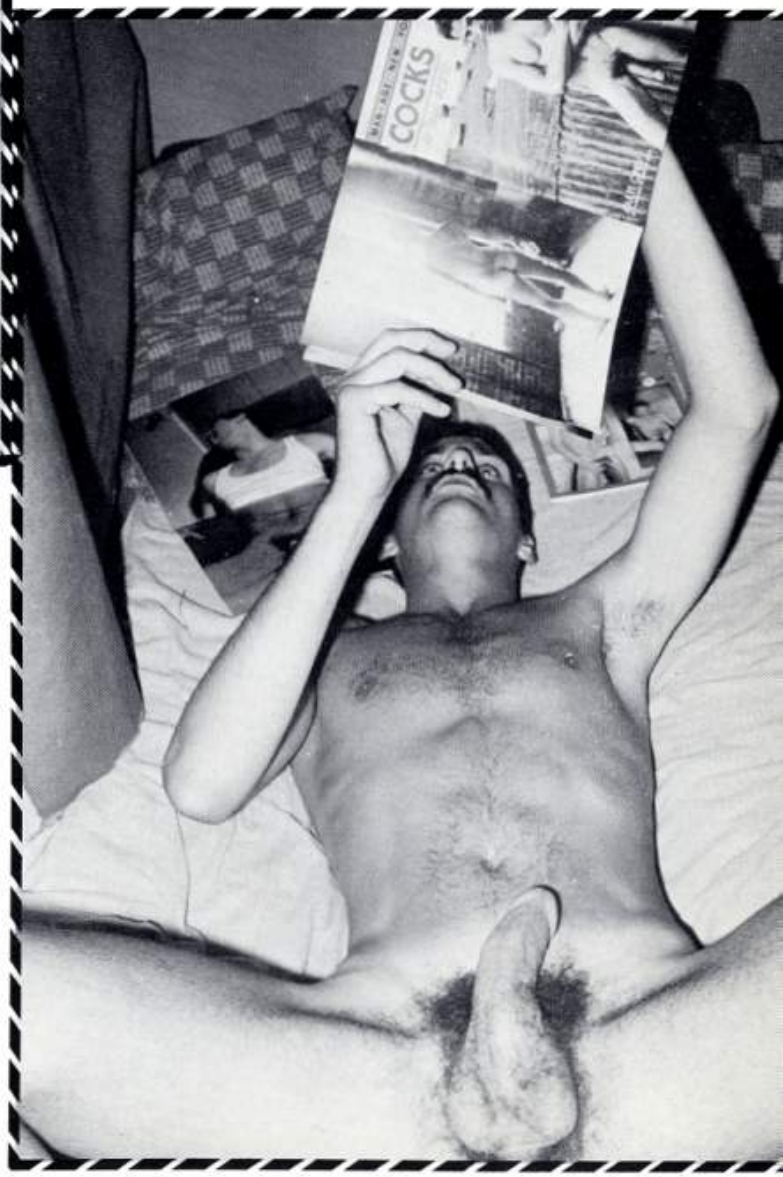




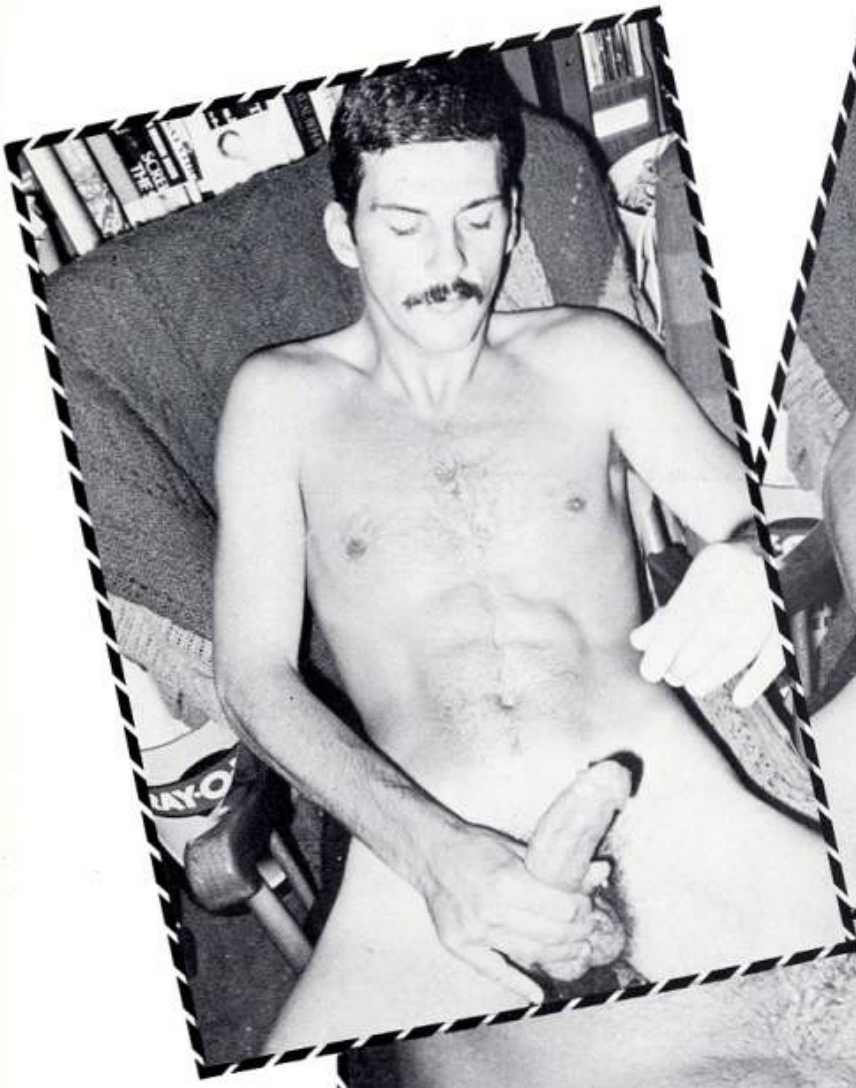




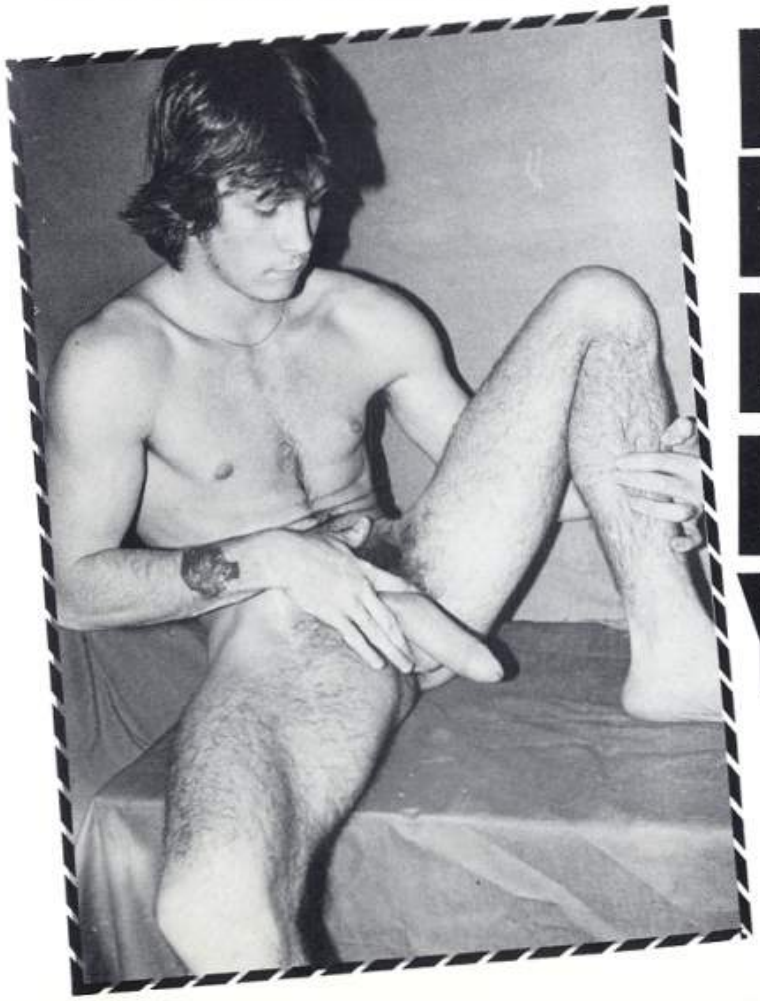
PAT



PAT JOHNSON is a hot young guy from Canada & makes his film debut in Bruce King's "Le Voyeur" for P.M. Productions. He's a stand out in the film with a rimming scene in which his anus takes on a life of its own - wiggles, throbs & blows kisses. Pat is 25 - born on March 21. He's 6ft., 165 lbs., brown hair & blue eyes, a 32in. waist, & his penis rises from 4½ to a hard 9in. He came out at 17 & loves the Gay world.



BILLY



BILLY MATTHEWS is a favorite & MAN-AGE is very excited to h working with him. He combines boyish charm with pure masculi sex appeal . A hot young guy in the Joe D'Allesandro mold. Billy 18, 5ft.10, 150 lbs., blond hair & hazel eyes, 30in. waist, & his ve thick, hot, un-cut penis is 8½ super hard. He's got his own boo BILLY MATTHEWS & THE MAN-AGERS, available direct fro MAN-AGE (see page 5) & you can also obtain pix of him from M.
